# ATOOT BANDHAN

~ An Unbreakable Bond

By Yatika

Veer gasped in shock hearing his best friend's word. A lonely tear slipped through his eyes but he did not let any more tears drop. He looked at his best friend expressionless. He pushed him hard. His best friend stumbled on his steps as it was a sudden reaction. Veer said in the most dangerous voice but calm "Get Out of my house."

I was accused by my own best friend.. Who knows me better than anyone else in the world. Who had seen me growing up. Who grew up with me. - Veer Rathore

Abhishek's brain is a mess like a roller coaster at the moment. He slipped down the walls and started to cry "Why my best friend is the reason for my miserable life? My reason of happiness is the reason of my Depressed life. Why? Why? Why?"

I found myself alone without anyone. I have fans and supporters but not a family. My fans are my only family now. - Abhishek Kapoor

Two best friends who grew up together have now reached to a point where they are breaking their friendship. And the reason is a misunderstanding.

Let's join the journey of two best friends and find if they cleared misunderstanding or not? If they are best friends again or just strangers now?
